

Laramie Soccer Club

Refund Policy

Families pay player insurance and membership fees directly to our state organization, Wyoming Soccer Association (WSA) upon player registration. These fees are non-refundable.

In addition, teams are formed and registered into leagues based on player numbers. Once the club commits teams to a league, the team depends on those registered players to fill out their roster for the playing season. U8-U10 teams commit to the league once in the fall (mid-June) and once in the spring (first part of February). U11-U19 teams commit to the league for the full soccer year (during the first week in June). Because of the size of the player pool in our community, each player is important in making sure our teams have adequate roster sizes.

Refunds will only be considered when requested on the refund request form.
